

# Our Covid 19 Policy.

Bravo Ocean is open as 'normal'. To ensure the continued health and wellbeing of our clients and team, we are operating in complete compliance with the latest US Government recommendations\*. As of March 14th 2022, we no longer require guests or staff to wear face masks. Face masks are optional.

Bravo Ocean Studios remains committed to exercising rigorous cleaning and sanitization protocols, as defined by the Global Biorisk Advisory Council. Multiple hand sanitizer stations are in accessible locations throughout the facility. HVAC has a MERV filtration rating of 13.

**\*SPECIAL REQUESTS: We are committed to the comfort levels and safety of our clients. Do let us know if any special requests or preferences need to be made.**

Contactless Payment is applied through our digital payment portal, to help limit hand-to-hand contact.

We ask that clients and staff do not come to the Studio if they develop any Covid-19 symptoms.

**\*ALL protocols and safety measures are subject to change in response to the developing state and public health standards and best practices.**

## **Covid-19 Risk Assessment & Studio Capacities**
