

ADR Deliverables and Spec Sheet

Send materials to both:

Nick@BravoOceanStudios.com
Dorian@BravoOceanStudios.com

Deliverables:

Video: MOV, DNxHD, H.264

- DNxHD files preferred but we can take just about anything.

Audio: WAV or MP3

Separate dialogue, EFX/background, and soundtrack guide tracks preferred.
Split L/R guides are fine as well.

Cues: PDF or Excel

Cues can be sent in pdf or Excel format for each character and will be uploaded into EdiCue. EdiCue PDF's preferred if possible for quicker prep time.

Prompts: Visual Cues - onscreen (beeps available if needed)

Any specific prompts preferred by talent can be requested. Otherwise, we'll use onscreen visual guides and scripts via EdiPrompt.

Specs: All sessions are recorded into Pro Tools at 24b 48k unless instructed otherwise.
